(SB 1390)

AN ACT to amend 1998 PA 386, entitled "An act to codify, revise, consolidate, and classify aspects of the law relating to wills and intestacy, relating to the administration and distribution of estates of certain individuals, relating to trusts, and relating to the affairs of certain individuals under legal incapacity; to provide for the powers and procedures of the court that has jurisdiction over these matters; to provide for the validity and effect of certain transfers, contracts, and deposits that relate to death; to provide procedures to facilitate enforcement of certain trusts; and to repeal acts and parts of acts," by amending sections 5215, 5314, and 5423 (MCL 700.5215, 700.5314, and 700.5423), section 5314 as amended by 2000 PA 313.

The People of the State of Michigan enact:

700.5215 Powers and duties of guardian of minor. [M.S.A. 27.15215]

Sec. 5215. A minor's guardian has the powers and responsibilities of a parent who is not deprived of custody of the parent's minor and unemancipated child, except that a guardian is not legally obligated to provide for the ward from the guardian's own money and is not liable to third persons by reason of the parental relationship for the ward's acts. A guardian has all of the following powers and duties:

- (a) The guardian shall take reasonable care of a ward's personal effects and commence a protective proceeding if necessary to protect the ward's other property. If a guardian commences a protective proceeding because the guardian believes that it is in the ward's best interest to sell or otherwise dispose of the ward's real property or interest in real property, the court may appoint the guardian as special conservator and authorize the special conservator to proceed under section 5423(3). A guardian shall not otherwise sell the ward's real property or interest in real property.
- (b) The guardian may receive money payable for the ward's support to the ward's parent, guardian, or custodian under the terms of a statutory benefit or insurance system, or a private contract, devise, trust, conservatorship, or custodianship. The guardian may receive the ward's money or property paid or delivered under section 5102. Money or property received under that section shall be applied to the ward's current needs for support, care, and education. The guardian shall exercise due care to conserve any excess for the ward's future needs unless a conservator is appointed for the ward's estate, in which case the excess shall be paid over at least annually to the conservator. The guardian shall not use that money or property for compensation for the guardian's services except as approved by court order or as determined by a duly appointed conservator other than the guardian. A guardian may institute a proceeding to compel a person's performance of a duty to support the ward or to pay money for the ward's welfare.
- (c) The guardian shall facilitate the ward's education and social or other activities, and shall authorize medical or other professional care, treatment, or advice. A guardian is not liable by reason of this consent for injury to the ward resulting from the negligence or acts of third persons unless it would be illegal for a parent to have consented.
 - (d) A guardian may consent to a minor ward's marriage.
- (e) Subject to the conditions and restrictions of chapter X of the probate code of 1939, 1939 PA 288, MCL 710.21 to 710.70, a guardian may consent to marriage or adoption of a minor ward or to the release of a minor ward for adoption.
- (f) A guardian must report the condition of the ward and of the ward's estate that is subject to the guardian's possession or control as ordered by the court on petition of a

person interested in the minor's welfare or as required by court rule. The report must detail the condition of the ward, medical or mental health treatment or care to which the ward was subjected, and what reason, if any, exists for the continuation of the guardianship.

(g) Within 14 days after a change in the ward's place of residence, the guardian shall give to the court notice of the ward's new address.

700.5314 Powers and duties of guardian. [M.S.A. 27.15314]

Sec. 5314. Whenever meaningful communication is possible, a legally incapacitated individual's guardian shall consult with the legally incapacitated individual before making a major decision affecting the legally incapacitated individual. Except as limited under section 5306, a legally incapacitated individual's guardian is responsible for the ward's care, custody, and control, but is not liable to third persons by reason of that responsibility for the ward's acts. In particular and without qualifying the previous sentences, a guardian has all of the following powers and duties, except as modified by court order:

- (a) To the extent that it is consistent with the terms of an order by a court of competent jurisdiction relating to the ward's detention or commitment, the guardian is entitled to custody of the person of the guardian's ward and may establish the ward's place of residence within or without this state. A ward's guardian shall visit the ward within 3 months after the guardian's appointment and not less than once within 3 months after each previous visit. The guardian must notify the court within 14 days of a change in the ward's place of residence.
- (b) If entitled to custody of the ward, the guardian must make provision for the ward's care, comfort, and maintenance and, when appropriate, arrange for the ward's training and education. The guardian shall secure services to restore the ward to the best possible state of mental and physical well-being so that the ward can return to self-management at the earliest possible time. Without regard to custodial rights of the ward's person, the guardian must take reasonable care of the ward's clothing, furniture, vehicles, and other personal effects and commence a protective proceeding if the ward's other property needs protection. If a guardian commences a protective proceeding because the guardian believes that it is in the ward's best interest to sell or otherwise dispose of the ward's real property or interest in real property, the court may appoint the guardian as special conservator and authorize the special conservator to proceed under section 5423(3). A guardian shall not otherwise sell the ward's real property or interest in real property.
- (c) A guardian may give the consent or approval that is necessary to enable the ward to receive medical or other professional care, counsel, treatment, or service.
- (d) If a conservator for the ward's estate is not appointed, a guardian may do any of the following:
- (i) Institute a proceeding to compel a person under a duty to support the ward or to pay money for the ward's welfare to perform that duty.
- (ii) Receive money and tangible property deliverable to the ward and apply the money and property for the ward's support, care, and education. The guardian shall not use money from the ward's estate for room and board that the guardian or the guardian's spouse, parent, or child have furnished the ward unless a charge for the service is approved by court order made upon notice to at least 1 of the ward's next of kin, if notice is possible. The guardian shall exercise care to conserve any excess for the ward's needs.
- (e) The guardian shall report the condition of the ward and the ward's estate that is subject to the guardian's possession or control, as required by the court, but not less often than annually. The guardian shall also serve the report required under this subdivision on the ward and interested persons as specified in the Michigan court rules. A report under this subdivision must contain all of the following:
 - (i) The ward's current mental, physical, and social condition.

- (ii) Improvement or deterioration in the ward's mental, physical, and social condition that occurred during the past year.
- (iii) The ward's present living arrangement and changes in his or her living arrangement that occurred during the past year.
- (iv) Whether the guardian recommends a more suitable living arrangement for the ward.
 - (v) Medical treatment received by the ward.
 - (vi) Services received by the ward.
 - (vii) A list of the guardian's visits with, and activities on behalf of, the ward.
 - (viii) A recommendation as to the need for continued guardianship.
- (f) If a conservator is appointed, the guardian shall pay to the conservator, for management as provided in this act, the amount of the ward's estate received by the guardian in excess of the amount the guardian expends for the ward's current support, care, and education. The guardian shall account to the conservator for the amount expended.

700.5423 Powers of conservator in administration. [M.S.A. 27.15423]

Sec. 5423. (1) Subject to a limitation provided in section 5427, a conservator has all of the powers conferred in this section and the additional powers conferred by law on trustees in this state. In addition, a conservator of the estate of an unmarried minor, as to whom no one has parental rights, has the powers, responsibilities, and duties of a guardian described in section 5215 until the individual is no longer a minor or marries. The parental rights conferred on a conservator by this section do not preclude a guardian's appointment as provided in part 2.

- (2) Acting reasonably in an effort to accomplish the purpose of the appointment and without court authorization or confirmation, a conservator may do any of the following:
- (a) Collect, hold, or retain estate property, including land in another state, until judging that disposition of the property should be made. Property may be retained even though it includes property in which the conservator is personally interested.
 - (b) Receive an addition to the estate.
 - (c) Continue or participate in the operation of a business or other enterprise.
- (d) Acquire an undivided interest in estate property in which the conservator, in a fiduciary capacity, holds an undivided interest.
- (e) Invest or reinvest estate property. If the conservator exercises the power conferred by this subdivision, the conservator must invest or reinvest the property in accordance with the Michigan prudent investor rule.
- (f) Deposit estate money in a state or federally insured financial institution including one operated by the conservator.
- (g) Except as provided in subsection (3), acquire or dispose of estate property, including land in another state, for cash or on credit, at public or private sale, or manage, develop, improve, exchange, partition, change the character of, or abandon estate property.
- (h) Make an ordinary or extraordinary repair or alteration in a building or other structure, demolish an improvement, or raze an existing or erect a new party wall or building.
- (i) Subdivide, develop, or dedicate land to public use; make or obtain the vacation of a plat or adjust a boundary; adjust a difference in valuation on exchange or partition by giving or receiving consideration; or dedicate an easement to public use without consideration.
- (j) Enter for any purpose into a lease as lessor or lessee with or without option to purchase or renew for a term within or extending beyond the term of the conservatorship.

- (k) Enter into a lease or arrangement for exploration and removal of a mineral or other natural resource or enter into a pooling or unitization agreement.
- (l) Grant an option involving disposition of estate property or take an option for the acquisition of property.
 - (m) Vote a security, in person or by general or limited proxy.
- (n) Pay a call, assessment, or another amount chargeable or accruing against or on account of a security.
 - (o) Sell or exercise stock subscription or conversion rights.
- (p) Consent, directly or through a committee or other agent, to the reorganization, consolidation, merger, dissolution, or liquidation of a corporation or other business enterprise.
- (q) Hold a security in the name of a nominee or in other form without disclosure of the conservatorship so that title to the security may pass by delivery. However, the conservator is liable for an act of the nominee in connection with the stock so held.
- (r) Insure the estate property against damage or loss or the conservator against liability with respect to third persons.
 - (s) Borrow money to be repaid from estate property or otherwise.
- (t) Advance money for the protection of the estate or the protected individual, and for all expense, loss, or liability sustained in the estate's administration or because of the holding or ownership of estate property, for which the conservator has a lien on the estate as against the protected individual for an advance so made.
- (u) Pay or contest a claim; settle a claim by or against the estate or the protected individual by compromise, arbitration, or otherwise; and release, in whole or in part, a claim belonging to the estate to the extent that the claim is uncollectible.
- (v) Pay a tax, assessment, conservator's compensation, or other expense incurred in the estate's collection, care, administration, and protection.
- (w) Allocate an item of income or expense to either estate income or principal, as provided by law, including creation of a reserve out of income for depreciation, obsolescence, or amortization, or for depletion in a mineral or timber property.
- (x) Pay money distributable to a protected individual or the protected individual's dependent by paying the money to the distributee or by paying the money for the use of the distributee to the distributee's guardian, or if none, to a relative or other person having custody of the distributee.
- (y) Employ a person, including an auditor, investment advisor, or agent, even though the person is associated with the conservator, to advise or assist in the performance of an administrative duty; act upon the person's recommendation without independent investigation; and, instead of acting personally, employ an agent to perform an act of administration, whether or not discretionary.
- (z) Employ an attorney to perform necessary legal services or to advise or assist the conservator in the performance of the conservator's administrative duties. An attorney employed under this subdivision shall receive reasonable compensation for that employment.
- (aa) Prosecute or defend an action, claim, or proceeding in any jurisdiction for the protection of estate property and of the conservator in the performance of a fiduciary duty.
- (bb) Execute and deliver an instrument that will accomplish or facilitate the exercise of a power vested in the conservator.
- (cc) Respond to an environmental concern or hazard affecting property as provided in section 5424.

(3) A conservator shall not sell or otherwise dispose of the protected individual's real property or interest in real property without approval of the court. The court shall only approve the sale or other disposal of the real property or interest in real property if, after a hearing with notice to interested persons as specified in the Michigan court rules, the court considers evidence of the value of the real property or interest in real property and otherwise determines that the sale or other disposal is in the protected individual's best interest.
